IN THE SPECIFICATION

Immediately before the section titled "BACKGROUND OF THE INVENTION", please insert the following:

This is a continuation of U.S. Patent Application Serial No. 09/289,085 filed on 04/08/1999, titled "Document Summarizer for Word Processors", which is now U.S. Patent No. _____, which in turn is a continuation of U.S. Patent No. 5,924,108. Both U.S. Patent Application Serial no. 09/289,085 and U.S. Patent No. 5,924,108 are hereby incorporated by reference.

REMARKS

Claims 1-18 are pending. It is respectfully submitted that the pending claims are allowable over art cited with respect to the parent application at least in part for the reasons stated in the applicant's response to the March 9, 2001 office action rejecting claims 29-40 and 49-50 in the subject application's parent. These arguments are not repeated herein, but are incorporated by reference.

Consideration and prompt issuance of the subject application is respectfully requested. If any issues remain that prevent issuance of this application, please contact the undersigned before issuing an action.

Respectfully submitted,

Dated: February 11, 2002
